

# PROCEEDS

It's Christmas in June!

We love a beautiful downtown at Christmas. Our Christmas decorations are nearing the end of their life, and outdoor Christmas decorations are extremely expensive. Recognizing the importance of keeping downtown attractive and fun for the holidays, we have committed to using proceeds from this year's tournament to begin upgrading the decorations.

We will be working with the City to plan for the future and assure that our downtown is festive and fun for the holidays!

Come join us for Christmas in June; enjoy a fun day on the golf course, and support our Christmas decorations upgrade!
